

VAVi Holiday and No-Play Dates Policy

This holiday and no-play date policy is in effect for each of our leagues as well as our fitness and dance classes. Please be aware that we will not have any leagues or classes on these dates. We will, however, have fitness, dance classes and sports leagues on the holidays denoted with a double asterisk.

We understand that there are many other important holidays that have not been observed on this list. As it is impossible for us to observe all holidays, we ask that if you celebrate a holiday that is not on this list, please choose a league that does not play on that date or inform your team that you will be unable to make it to that game. Also know that there are occasionally cancellations due to weather, or other unforeseen circumstances, in which the league may be extended to play on a holiday that you may celebrate. We ask that you please consider all these circumstances when you choose your league.
